## How To Publish A Contest Bulletin!

Many people are entering various contests to reap the benefits their jobs cannot provide them. These optimists rationalize that "one day they will win".

You can help these individuals discover a whole new world by providing a series of contest bulletins. One man in Florida publishes a monthly bulletin and accumulates many friends. He also realized large profits through his service. Using an inexpensive mimeograph machine he lists various contests, rules, and the addresses where entries are to be sent.

He gets his information by reading the latest issues of many national magazines. His customers are obtained from ads he runs in local and national media. At \$2.00 per copy, this type of business can be successful and profitable as well. According to the latest notice sent out by this man, his circulation is in the thousands.
